

Recommended Center for Evidence to Practice website links for MCOs

May 2025

*Please consider adding the following links to the **provider** page on your websites.*

The Center for Evidence to Practice, in partnership with the Louisiana Department of Health, Office of Behavioral Health, offers evidence-based practices (EBPs) training for behavioral health professionals serving children and families covered through Louisiana Medicaid [*can use name of MCO*]. Training is available at no cost to providers within Louisiana Medicaid and continuing education credits are offered through LABSWE and NBCC.
